

MESOPOTAMIA

Company Profile

MESOPOTAMIA GROUP

About us:

Mesopotamia group has more than 60 years of experience to be an essential global provider of oil and gas services mechanical , instrumentation, electrical equipment in Iraq especially and middle east in general as a center of planning and managing the operations for all the projects that has been conducted in Iraq that include the engineering services, procurement activities, services, contracts management, designing & supplying of lighting material. The Group has well trained, highly qualified and experienced work force.

MESOPOTAMIA GROUP

Our offices:

Iraq:

Our main office is in Baghdad with many show rooms & ware houses covering all Iraq

Jordan:

In 2004 we established our offices in Jordan to support all group activities & follow up with our international partners

UAE:

The aim of establishing our offices in UAE is to handle and support the lighting , Oil & gas activities, Where the UAE is a strategic location for all companies operating in this sector

Mesopotamia's Activities

EPC Contractors:

Mesopotamia is a main EPC contractor for oil, gas & power companies one of the main projects is LPG storage expansion for **9 stations in Iraq; Hilla, Rusafa, Nassiriya, Hamam Al-Alil, Najaf, Rumadi, Latifah, Abu Graib & Aumarah** stations covering all mechanical, electrical, instrumentation & civil works.

MESOPOTAMIA

Mesopotamia's Activities

Civil Works:

More than 40 year of experience in road & highway construction , thanks to our expert work forces.

We had our own asphalt plant will all the needed machinery including crushers, Asphalt pavers, Rollers, screening plant...etc.

This covers road construction, crude oil tank bases and civil / structural works.

Mesopotamia's Activities

Materials Provider & Installation:

Mechanical:

- Centrifugal pumps supply for Water and Hydrocarbon.
- Fire & Gas systems, Firefighting systems (FM 200, Firefighting equipment).
- Valves, Pipes & fittings, of different materials and sizes .
- Steel structure for sheds, warehouses & Towers

Mesopotamia's Activities

Materials Provider & Installation:

Electrical & Instrumentation:

- Diesel, Gas and Hybrid System Power Generators .
- Transformers, MV & LV Switchgear, Low Voltage panels locally assembled panels can be provided and industrial UPS.
- Lighting systems, lighting poles, solar lighting, LED lights (Ex proof & safe Zones).
- Power, instrumentation & telecom cables.
- Instrumentation SCADA & control systems.

Mesopotamia's Activities

Materials Provider & Installation:

Local Market

Mesopotamia is a leading whole seller in the main market being exclusive agent for different brands more than 5000 m² warehouses and well furnished show rooms , covering the market needs overall Iraq as following:

- Lighting and wiring accessories
- Diesel generators and spare parts.
- Telecom and UPS batteries
- Lubricants

Mesopotamia's Activities

Local Market

Lighting and wiring accessories

Mesopotamia is a leading company that offers an extensive range of Lighting and Electrical products for projects.

Mesopotamia is also able to cater to projects that might require complicated designing and Installation. Our team of engineers and sales staff are well equipped to execute all stages of a project in a professional manner.

The logo for LUCECO, featuring the word "LUCECO" in a green, sans-serif font. The letter "O" is replaced by a stylized yellow and green circular icon.

Mesopotamia's Activities

Local Market

Lighting and wiring accessories

In order to meet market requirements and customer satisfaction, **Mesopotamia** always tends to place priority on quality taking the final costs into consideration. We will always provide innovative solutions that exceeds our customer's expectations.

Mesopotamia can supply complete lighting needs from domestic distributions boards, MCBs, Wiring and cables to lighting products, in addition to smart home lighting and switches systems.

Mesopotamia also supplies high quality LED Lighting, electrical and solar products for residential and commercial projects in Iraq.

LUCECO

Mesopotamia's Activities

Local Market

Diesel generators and spare parts :

We always pay attention to quality therefore choosing the right & well known partners to work with. our partners are considered one of the leaders in the market.

HIMOINSA-Spain, part of the Yanmar Group, is a global corporation that designs, manufactures and distributes power generation equipment, from diesel and gas generator sets, lighting towers and control panels, to hybrid generators and generator sets ready to be incorporated into solar power systems, its factories located in Spain

Engines Brands: Yanmar, Scania, Mitsubishi, MTU

Alternators brands: Meccalte, Stamford

Control Panels Brands: Himoinsa, Deep sea controller

Mesopotamia's Activities

Local Market

Diesel generators and spare parts :

Pramac offers solution for ever kind of power supply demand: from the portable to the industrial power supply either for stand by prim power applications .

Pramac not only designs, manufactures and installs a complete range of portable and stationary generators from one to 3360kVA as standard production, but can also provide tailored solutions that can be adapted to every specific requirement.

Engines Brands: Perkins, FPT Iveco, Volvo

Alternators Brands: Meccalte, Leroy somer

Control Panels Brands: Pramac

Mesopotamia's Activities

Local Market

Telecom and UPS batteries:

Mesopotamia group the distributor of an international new high- tech enterprise Leoch International Technology Limited ("Leoch"), which specialize in research and development, manufacturing, sales and marketing of full categories of battery.

Telecom and UPS batteries produced by Leoch are widely used in communication networks and data centers at all levels to provide a key guarantee for the normal operation of communication networks. Five of the world's top ten carriers use the Leoch Battery. The batteries of Leoch meet all the needs of customers in terms of service life, product performance and consistency.

Mesopotamia's Activities

Local Market

Lubricants (Oil):

MESOPOTAMIA Group is exclusive distributor in Iraq For Cepsa a global integrated company which has Refineries located in Spain, operating across the entire oil and gas value chain. which have over 90 years of experience, Cepsa, are experts in lubrication and they are always working to offer the product that best suits all Market needs. From products for cars, motorcycles, trucks or vessels to lubricants for machinery, installations and production systems.

All Cepsa brands share of offering lubricants and greases of the highest quality and standards. And not only that, Cepsa comply with all the safety controls in force to improve the performance of machine or vehicle. Cepsa lubricants and greases have OEM approvals of international engine and machine manufacturers.

Mesopotamia's Activities

Services Provider:

Mesopotamia has qualified team to perform the following services:

- Inspection, Maintenance & Rehabilitation services for electro-mechanical activities.
- Maintenance & Rehabilitation for all Refinery production , process units, & Utilities systems.
- Managing & Servicing of power generators.

Mesopotamia's Activities

Telecom Services:

Mesopotamia has specialized department to maintain telecom requirements providing complete solutions including power services, deployment services for green field and roof top site covering supply, installation, operation, servicing and management services

Some references includes complete solution project for EPABX & PAGA system for LPG stations in Iraq covering equipment Mitel (AASTRA) & LELAS system.

Mesopotamia's Activities

Telecom Services:

Our team is fully equipped to cover roll out (deployment) activities for roof top and green field services from small jobs to complete site installations and configurations.

Mesopotamia covering the following services:

- ✓ Power services
- ✓ Civil works
- ✓ TE including : Fiber Optic works , networks maintenance & coverage, installation & SWAP services.

Mesopotamia's Activities

General Services:

Apart from the industrial and projects of the group, we are have specialized department to satisfy client accommodation and logistics needs, this is being covered through our own Hotel Suites Apartments (www.nayloverhotelsuites.com) located in Amman-Jordan.

And our own car rental and logistics services company (www.kahramanacars.com) located in Amman-Jordan as well.

Mesopotamia's Activities

TECHNOVA MIDDLE EAST FOR ENVIRONMENTAL TECHNOLOGY & ENERGY APPLICATIONS IS RESPONSIBLE FOR ROJECTS IN (ETHIOPIA & AFRICA) AND SPECIALIZED IN:

- Solid Waste Management and biogas extraction.
- Renewable Energy Projects.
- Electromechanical construction of pipelines and pumping stations.
- Air Conditioning and Ventilation.
- Design & installation of large video wall.
- Water & Waste Water Treatment Plants.

Mesopotamia Typical references

Item	Description	Client
1	Designing and supplying of ex-proof lighting fixtures & electrical materials	SOC
2	Designing and supplying of lighting system and Accessories for street lighting	BED
3	Road construction and rehabilitation process	NRC
4	Complete rehabilitation of demi water plant	MRC & NRC
5	Designing & supplying of elevated steel tanks with 1300m3 shell vol.	MISHKHAB WTP
6	Rehabilitation & protection of vessels & tanks using filling & coating materials	BP & SHELL
7	Supplying & installing of electrical L.V control systems	MRC
8	Repairing live leaks 24" Crude oil P/L of up to 1200 psi by using cold welding technologies	NOC & PLC
9	Supplying & installation 2 X 2500 KVA + 2 X 1500 KVA of Diesel Gensets with training programs	NRC
10	EPC for Mechanical, Electrical and instrumentation for expansion of LPG storage capacities for (Hilla, Rusafa & Nassiriya) stations	SCOP
11	Supplying & installing of lighting fixtures and electrical materials towers	SCOP

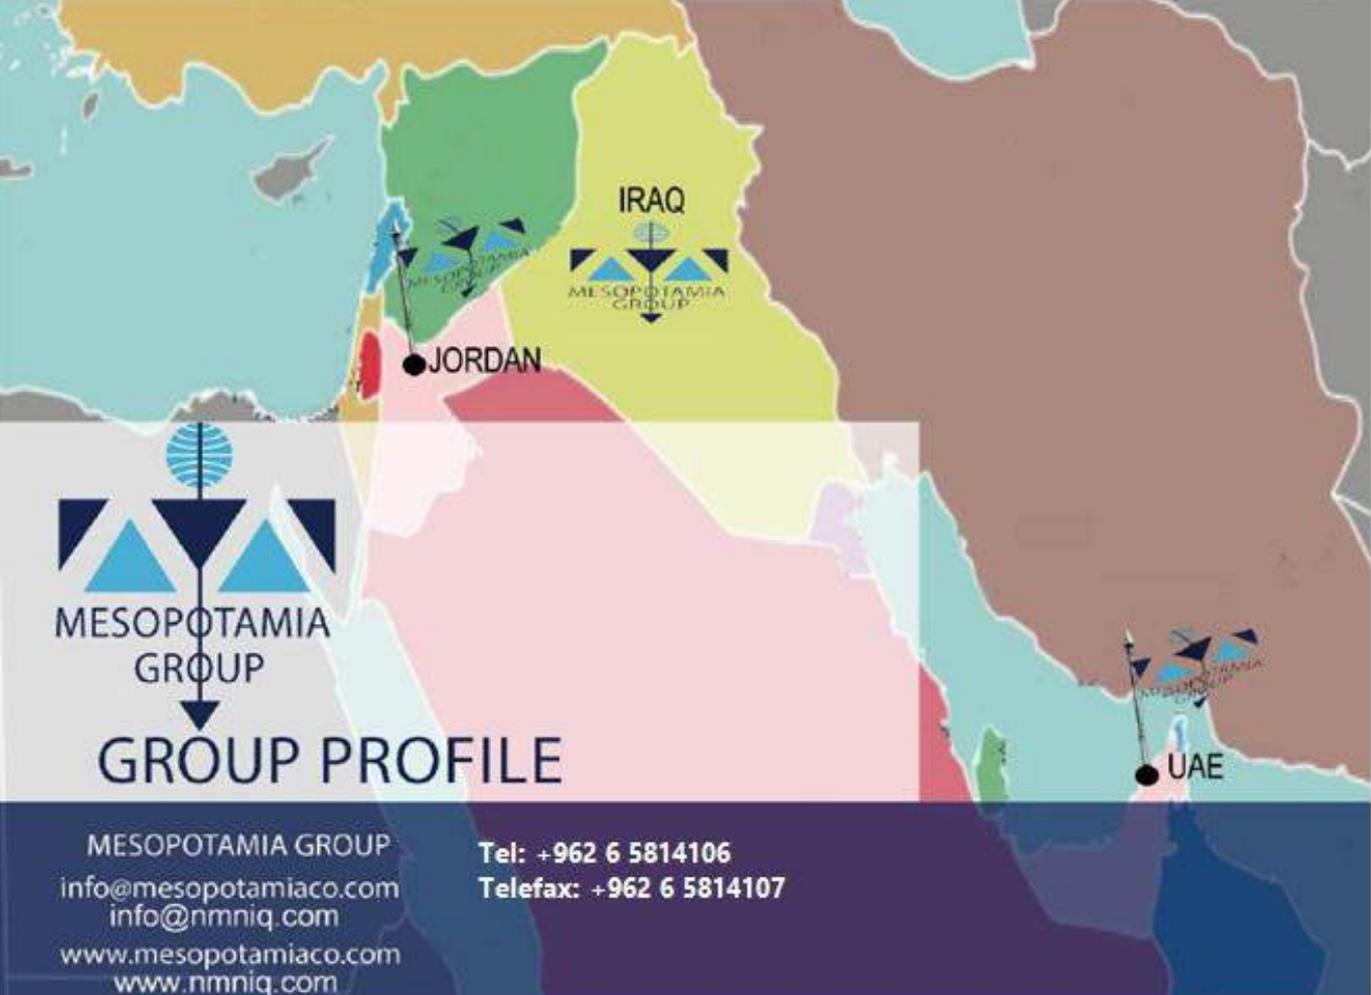

Mesopotamia Typical references

Item	Description	Client
12	Supply of electrical & control materials	Siemens Iraq
13	Servicing of 3x1MW Diesel Generators	SRC
14	Dynamic LED lighting system Ninawa bridge in Mosul & Manawi Basha hotel in Basra	NEDD& Manawi Basha Hotel
15	EPC for Mechanical, Electrical and instrumentation for expansion of LPG Storage Capacities at (Hamam Al-Alil ,Najaf, Rumadi, Latifah, Abu Graib and Aumarah) sites	SCOP
16	Designing & supplying of electrical materials (Medium Voltage Switch Gear for Boilers & Demi Water Plant)	MRC
17	Designing & supplying of complete LED lighting systems with accessories (EX & safe)	SCOP MRC
18	Supplying and warranty servicing of 1000 soundproof Diesel Generators	Asiacell
19	Supply of EXD low-voltage - switchgears (LVS) and Mcc	SCOP
20	Designing & supplying of electrical materials (Medium Voltage Switch Gear for Boilers & Demi Water Plant)	MRC
21	Supplying installing and servicing of 6x850 Kva and 6x220 Kva soundproof diesel generators	SCOP
22	Different civil works for the telecom sites	Zain Iraq
23	Telecom Deployment Works (FTK, 2G/3G Collocation, Full Swap, Mobile Site, Etc...)	Asiacell

Mesopotamia's Clients

Mesopotamia Group

The image features a stylized map of the Middle East region. The map is color-coded by country: Iraq is yellow, Jordan is red, and the UAE is light blue. The Mesopotamia Group logo, which consists of a stylized tree with a blue canopy and a black trunk, is placed in three locations: one in the northern part of Iraq, one in Jordan, and one in the UAE. A large, semi-transparent grey box is overlaid on the left side of the map, containing the Mesopotamia Group logo and the text 'MESOPOTAMIA GROUP' and 'GROUP PROFILE'. At the bottom of the map, a dark blue banner contains contact information for the Mesopotamia Group.
